

Catholic Charities Adult Day Services, San Mateo County

A licensed program providing a safe, supervised, therapeutic, and friendly environment for seniors and adults with cognitive or physical impairments who experience losses in physical function, memory, or social interaction.

Through mentally and physically stimulating activities, the program enhances participants' quality of life and increases their independence while providing support and much needed relief to family caregivers.

Adult day care centers provide a reliable and affordable alternative compared to in-home care or placement in higher level of care.
