

During a disaster, you might not have time to shop or pack important items for you and your household safety. For that reason, it is important to prepare a Go-bag starting today!

That Go-Bag must be in a designated place, where all the family members know.

**We recommend to pack at least:**

### To have in paper

Important documents (IDs copies, insurance, titles copies, etc.)

Medication/Allergy List for all family members

Photos of all family members and pets

Family Emergency Plan

Maps with your routes and the meeting points

Resources directory

### For emergency purchases

Cash (small bills)

### For survival

Long lasting food

Water & water purifier

### For handy needs

Multitool

Utility gloves

### For well-being & health

First aid kit

Prescription meds

Thermal blanket

Plastic bags

### For multiple needs

Emergency whistle

Power banks/batteries

Crank radio

Crank flashlight
