About

The Listos California Grant Program supports community-based organizations and federally recognized tribes throughout California to ensure every Californian, regardless of age, ability, income or language, has access to culturally competent outreach to prepare for earthquakes, floods, wildfires and other hazards.

Since its inception in 2019, Listos California has reached millions of Californians with low incomes, disabilities and language barriers as well as older adults and those living in areas at high risk of disaster to help them prepare for, respond to and recover from all types of emergencies.
